

WELCOME TO SLOW MONEY MAINE! We are an intentionally inclusive diverse group of people from many Maine sectors and communities with a focus on support of sustainable local food systems. Woody Tasch and Slow Money national serve as our inspiration and national base for exchanging ideas and forming collaborations that connect investors to food producers and entrepreneurs throughout our state. Please join us to ensure Maine's agricultural, economic and social prosperity! We invite your questions, comments and active participation in our endeavor!

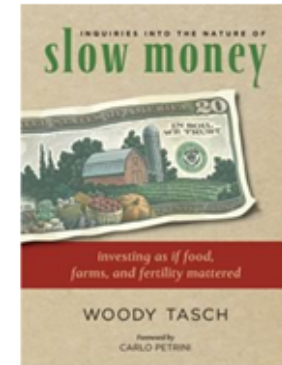

- Bonnie Rukin, Slow Money Maine Coordinator

January 18, 2012 SMM meeting notes

Posted on [January 28, 2012](#) by [admin](#)

Slow Money Maine started 2012 with the pleasant surprise of its largest group to date at a highly energized gathering. About 70 people attended, many for the first time, and it seemed clear that everyone could have comfortably spent the whole afternoon networking!

Bonnie began with an offering of hope and shared intentions for the New Year by

Slow Money Maine is a regional chapter of [Slow Money national](#)
